Dear Parent/Guardian,

The Biology Department at the National University of Ireland, Maynooth is offering the opportunity to Leaving Certificate Students to have a ‘hands-on’ experience in the Biology Laboratories at their University. The offer is available during early January 2018, from 10.00 am to 4.00 pm each day. Students will have the opportunity to cover five investigations in the morning and three in the afternoon.

We, in the Biology Department here, feel that this is an excellent opportunity for our Leaving Certificate students and therefore, propose taking a group to the Maynooth University on Wednesday, 24th January, 2018. The cost for the day in Maynooth is €40 with an extra cost of approximately €10 for the bus. Students may purchase food on the campus at Maynooth University or bring a packed lunch. Full uniform must be worn on the day. Please sign the slip below and return it to the school on/before Friday, 20th October, 2017. The €40 fee for Maynooth University must be paid on our schools on-line payment system, Easy Payment Plus, under Subject Department. It can be paid in two installments of €20. The cost of the bus can be paid nearer the trip.

Yours faithfully

Kay O’Hanlon
